Mine Clean – Cleaner/Degreaser Concentrate

PART NUMBER	AVAILABLE SIZE
CT-MNC-20L	20 Litre Drum
CT-MNC-200L	200L Drum
CT-MNC-1000L	1000L IBC

PRODUCT DESCRIPTION

Chemtools® Mine Clean is a concentrated industrial strength cleaner and degreaser offering a highly effective solvent-free heavy duty clean. Its non-flammable, non-explosive, and non-toxic formula is biodegradable and free from harmful and corrosive solvents, resulting in the safe and superior degreasing of most mining tools, machinery, and surrounding facilities - above or below the surface.

Mine Clean removes a wide variety of grime and contaminants, including greases, petroleum oils, fatty oils, carbon, tar, diesel, and organic soils ease. It can be wiped, hosed, or sprayed on, and works extremely well during the immersion cleaning of small parts and components.

Mine Clean is also safe on concrete/asphalt floors, benches, engines, mowers, heavy equipment, automotive accessories, and just about any surface that requires a fast-acting, thorough clean with very little effort involved.

DILUTION RATIOS

RATIO OF MINE CLEAN TO WATER	RECOMMENDED APPLICATION
Full Strength / No Dilution	Heavy deposits on industrial machinery, Engines, Boat bilges, Driveways
1:1	Vents, Cold parts washers, Grills, Heavy grease and oils
1:2	Scrubbing hard floors, medium grease and oils
1:10	Appliances, Stainless Steel, Counter Tops, etc
1:50	Pressure sprayers, Tile and grout, Windows, Floors

UNIQUE FEATURES

- Formulated for use at low dilution
- Can be used in pressure washers and industrial scrubbers
- Safe to use on painted surfaces
- Free of phosphates

TECHNICAL DATA

CHEMICAL & PHYSICAL PROPERTIES:

Abrasive	No
Appearance	Greenish/Brown Liquid
Biodegradable	Yes
Corrosive	No
Phosphate-free	Yes

STORAGE

Store in a cool, dry place, in tightly closed original containers, at a room temperature between 5°C to 40°C. Do not place in direct sunlight or near any heat source. Do not return any used material to its original container.

FIRST AID & SAFETY PRECAUTIONS

Please refer to Safety Data Sheet (SDS) before use. Use with adequate ventilation and avoid breathing fumes. Avoid contact with eyes and skin. This product may produce adverse health conditions, ranging from minor skin irritation to serious systemic effects. It should not be used, stored, or transported until the handling precautions and recommendations as stated in the Safety Data Sheet (SDS) for this product have been fully understood by all persons who will work with the material.

DISCLAIMER

Chemtools® has made every effort to ensure the information provided in this Technical Data Sheet is accurate at the time of publication. Chemtools® expressly recommends that the user make his/her own assessment to determine the suitability of the product for its intended purpose prior to application. Chemtools shall not be responsible for loss, damage, or injury, resulting from the reliance upon, or failure to adhere to, any recommendations or information contained herein; nor from abnormal use of the material; nor from any hazard inherent in the nature of the material.
