TECHNICAL DATA SHEET

OCTOBER 2016

PRODUCT NAME

CT-MTP Mineral Turps

PRODUCT RANGE

Part Number	Available Size
CT-MTP-1L	1 Litre
CT-MTP-4L	4 Litres
CT-MTP-20L	20 Litres

Refer to SDS for product safety guidelines

CT-MTP Mineral Turps

Chemtools® Mineral Turpentine is an economical cleaner and degreaser, specifically designed to remove oil, grease, wax, silicone, tar, and bitumen from painted surfaces, metals, and some plastics.

Also known as 'Turps', it is commonly used as a paint thinner for oil-based paints and varnishes, and an organic solvent in other applications. It is often used in the Engineering and Automotive industries, and leaves no residue after drying.

FEATURES AND BENEFITS:

- Good solvency for oil, grease, wax and silicone
- Economical
- Leaves no residue
- Great solvent for cleaning oil-based paints

APPLICATIONS AND USES:

- Degreasing and cleaning solvent, especially in engineering and automotive workshops
- The manufacturing of oil-based paints and varnishes
- Thinning and cleaning of oil-based paints and varnishes
- Removing tar and bitumen from painted surfaces, metals, and some plastics

STORAGE:

Store in a cool, dry place, in tightly closed original containers, at a room temperature of between 5°C to 30°C. Do not place in direct sunlight or near any heat source. Do not return any used material to its original container.

SAFETY:

Do not spray aerosol near eyes or face. Do not spray near a naked flame or any hot surface, and keep away from sources of ignition – no smoking. Keep out of reach of children. Extremely flammable. Protect pressurised dispenser from sunlight and do not expose it to temperatures exceeding 50°C. Do not leave in car interiors.

Do not pierce or burn even after use. Intentional misuse by deliberately concentrating or inhaling contents may be harmful or fatal.

PRECAUTIONS:

This product is capable of producing adverse health effects ranging from minor skin irritation to serious systemic effects. None of these materials should be used, stored, or transported until the handling precautions and recommendations as stated in the Safety Data Sheets (SDS) for this and all other products being used are understood by all persons who will work with the material.

WARRANTY:

All products purchased from or supplied by Chemtools® are subject to terms and conditions set out in the contract. Chemtools® warrants only that its products meet the specifications designated as such herein, or in other publications. All other information supplied by Chemtools® is considered accurate, but is furnished upon the express condition. The customer shall make its own assessment to determine the products suitability for a particular purpose. Chemtools® makes no other warranty, either expressed or implied, including those regarding such other information, the data upon which the same is based, or the results to be obtained from the use thereof; that any product shall be merchantable or fit for any particular purpose; or that the use of such other information or products will not infringe any patent.
