CT-PWS Parts Washer Solvent

Chemtools® Parts Washer Solvent is a high flashpoint, residue-free solvent that outperforms other spirit-based solvents often found in recirculating parts washers. It safely and quickly removes oil, grease, and grime from metals, most plastics, and painted surfaces.

Parts Washer Solvent is a ready to use cleaner/degreaser that requires no dilution and can be used in all types of small parts cleaning tanks, soak tanks, and for general degreasing by hand.

FEATURES AND BENEFITS:

- Cuts through cutting oil, motor oils, grease, and grime
- Safe for use on all metals, most plastics, and painted surfaces
- Ready to use: no dilution required
- Leaves no residue

PHYSICAL PROPERTIES:

Description	Testing Method	<u>Typical</u>
Viscosity (cST at 4°C)		2.00
Density @15°C	ASTM D156	0.805
Flash Point:	IP 170	65°C
Water:		Negligible
Appearance:		Clear Liquid

STORAGE:

Store in a cool, dry place, in tightly closed original containers at a room temperature between 5°C and 40°C. Do not place in direct sunlight or near any heat source. Do not return any used material to its original container.

DISPOSAL:

All products should be disposed of in accordance with local regulations.

PRECAUTIONS:

This product is capable of producing adverse health effects ranging from minor skin irritation to serious systemic effects. None of these materials should be used, stored, or transported until the handling precautions and recommendations as stated in the Safety Data Sheets (SDS) for this and all other products being used are understood by all persons who will work with the material.

WARRANTY:

All products purchased from or supplied by Chemtools® are subject to terms and conditions set out in the contract. Chemtools® warrants only that its products meet the specifications designated as such herein, or in other publications. All other information supplied by Chemtools® is considered accurate, but is furnished upon the express condition. The customer shall make its own assessment to determine the product's suitability for a particular purpose. Chemtools® makes no other warranty, either expressed or implied, including those regarding such other information, the data upon which the same is based, or the results to be obtained from the use thereof; that any product shall be merchantable or fit for any particular purpose; or that the use of such other information or products will not infringe any patent.
