## TECHNICAL DATA SHEET

DECEMBER 2016

### PRODUCT NAME

Food Grade Belt Grip

### PRODUCT RANGE

Part Number	Available Size
CT-R12FG-300	300g Aerosol

Refer to SDS for product safety guidelines

## Food Grade Belt Grip

Chemtools® Food Grade Belt Grip reduces belt slippage, cracking, breakage, and the build-up of grease and dirt. The special formulation provides instant grip and assists with belt flexibility, adhering strongly to any belt material or any belt type, including flat, V, and round.

Food Grade Belt Grip is non-toxic and will not stain products on conveyor belts. It remains tacky and will not dry, creating water resistance and keeping belts clean without attracting dust. Regular use will increase the life of belts of all sizes, from high-load industrial to appliance drive belts.

### FEATURES AND BENEFITS:

- Reduces belt slippage
- Increases life of belt with regular use
- Remains tacky, and is water resistant
- Adheres strongly to any belt material
- Provides instant grip, prevents glazing, and reduces slippage
- Prevents cracking and breakage
- Reduces buildup of grease and dirt
- Non-toxic and colourless

### APPLICATION:

- All types of belts, including flat belts, V belts, and round belts
- Appliance drive belts
- Truck and automotive fan belts
- Farm machinery leather, or canvas take-off belts
- High-load industrial compressor or generator belts
- Sanding and polishing belts

### PROPERTIES

Appearance	Clear tacky liquid
Odour	Mild solvent
Propellant	CO <sup>2</sup>

Shelf Life > 1 year from date of manufacture

**STORAGE:**

Store in closed containers, undercover, in a cool and dry environment.

**SAFETY:**

Please refer to SDS before use. For industrial use only, please keep out of reach of children. Wear suitable safety gear before use.

**PRECAUTIONS:**

This product is capable of producing adverse health effects ranging from minor skin irritation to serious systemic effects. None of these materials should be used, stored, or transported until the handling precautions and recommendations as stated in the Safety Data Sheets (SDS) for this and all other products being used are understood by all persons who will work with the material.

**WARRANTY:**

All products purchased from or supplied by Chemtools® are subject to terms and conditions set out in the contract. Chemtools® warrants only that its products meet the specifications designated as such herein, or in other publications. All other information supplied by Chemtools® is considered accurate, but is furnished upon the express condition. The customer shall make its own assessment to determine the products suitability for a particular purpose. Chemtools® makes no other warranty, either expressed or implied, including those regarding such other information, the data upon which the same is based, or the results to be obtained from the use thereof; that any product shall be merchantable or fit for any particular purpose; or that the use of such other information or products will not infringe any patent.
