TECHNICAL DATA SHEET

OCTOBER 2016

PRODUCT NAME

CT-SHL Shellite

PRODUCT RANGE

Part Number	Available Size
CT-SHL-1L	1L
CT-SHL-4L	4L
CT-SHL-20L	20L

Refer to SDS for product safety guidelines

CT-SHL Shellite

Chemtools® Shellite is a mild solvent with a myriad of domestic and industrial applications, including cleaning and degreasing lubricants, mineral oils, and other greases. It is safe to use on most metals and materials, evaporating quickly and leaving little to no residue.

Shellite burns clean and can be used as fuel for outdoor lanterns and other appliances, such as stoves, lighters, and camping equipment.

PHYSICAL PROPERTIES:

Flash Point:	4°C
Boiling Point:	47-128°C
Appearance:	Clear Colourless Liquid
Odour:	Typical Aromatic
Specific Gravity @ 15°C:	0.715g/ml
Electrical Conductivity:	200 pS/m

STORAGE:

Store in a cool, dry place, in tightly closed original containers at a room temperature between 5°C and 40°C. Do not place in direct sunlight or near any heat source. Do not return any used material to its original container.

DISPOSAL:

All products should be disposed of in accordance with local regulations.

PRECAUTIONS:

This product is capable of producing adverse health effects ranging from minor skin irritation to serious systemic effects. None of these materials should be used, stored, or transported until the handling precautions and recommendations as stated in the Safety Data Sheets (SDS) for this and all other products being used are understood by all persons who will work with the material.

WARRANTY:

All products purchased from or supplied by Chemtools® are subject to terms and conditions set out in the contract. Chemtools® warrants only that its products meet the specifications designated as such herein, or in other publications. All other information supplied by Chemtools® is considered accurate, but is furnished upon the express condition. The customer shall make its own assessment to determine the product's suitability for a particular purpose. Chemtools® makes no other warranty, either expressed or implied, including those regarding such other information, the data upon which the same is based, or the results to be obtained from the use thereof; that any product shall be merchantable or fit for any particular purpose; or that the use of such other information or products will not infringe any patent.
